

Tino Fulimeni Scholarship

Tino Fulimeni was a lifelong Steelworker who rose to Special Assistant to former USW President George Becker. Tino was a great supporter of the Career Development Program. He believed very strongly in education for Steelworkers and the value of the learning process. This Institute for Career Development scholarship is a tribute to Tino and all he stood for and fought for. He would be proud that we are giving money in his name to young deserving children or grandchildren of Steelworkers to support their education.
