CUSTOMIZED CLASSES GUIDELINES

- Classes are open to active Union Steelworkers
- Classes will be taken on the employee's own time
- Customized course limit is \$2,000 per participant per year
- If you have active employees that are interested in a class call Career Development and let us know. If it falls within our class guidelines we will try to put it together for you.

TUITION ASSISTANCE

In addition to customized classes USW members are eligible for Tuition Assistance up to a maximum of \$1,800/calendar year (Jan-Dec) for an accredited school. Funds may be used for tuition, required textbooks and course-related fees. Funds cannot be used to pay for materials, equipment or supplies. ***The Tuition Assistance Funds are separate from the \$2,000 Customized Classes fund.***

Per the Institute for Career Development Issuance 14. An active Local 6787 member can expend up to \$3800 of program funding for combining TAP (tuition assistance) and customized courses under the following circumstances:

- ◇ Tuition Assistance (TAP) If seeking a degree from a school listed in the current "Accredited Institutions of Post Secondary Education" or by private occupational/vocational schools recognized by State boards of vocational education. This will also extend to schools approved by the ICD as "An exception to Policy Provider".
- ◇ Customized classes: If courses lead to certification from a nationally accredited body. Candidates must get approval prior to registering for classes and their expenditures MAY NOT exceed \$3,800.

To apply for Tuition Assistance please contact your Career Development Office.

Active members are eligible to take approved classes at any of the learning centers on Page 55. To find out what classes are available, check out their listed web-sites. To take an *approved* class at any of these centers you MUST register at YOUR Learning center.

PLEASE NOTE: Each participant's account will have a full deduction for a course that is NOT dropped BEFORE the start date. So, please make sure you contact your Career Development Office before the start date of your class if you are not able to attend.

To register for a class you can:

- Register on-line at our web-site www.mittalcareer.org
- Register by phone (219) 787-3101
- Email sarahisg@frontier.com

Tino Fulimeni

Scholarship Fund

ANNOUNCEMENT

from the Institute for Career Development (ICD)

In 2019, ICD will award seven \$1000 scholarships to various children and grandchildren of steelworkers.

The *Tino Fulimeni Scholarship Fund* was established to honor the memory of Brother Fulimeni. Tino was a fanatic about ICD. His commitment and contribution are evident in the success of the Career Development Program. The *Fund* is administered by ICD in Merrillville, IN.

The following criteria must be met to be eligible for the scholarship drawing:

- Must be a college student starting or returning to college in the fall of 2018 or spring of 2019
- Applicant must have maintained a 3.0 grade point average and supply a transcript if selected.
- Applicant must be the child/grandchild of a steelworker who is currently eligible to participate in the Career Development Program.

ICD will accept applications in their office or you can go on-line to icdlearning.org and submit it . **If mailing**, please send applications to:

Tino Fulimeni Scholarship Fund
c/o The Institute for Career Development, Inc.
1000 East 80th Place, Suite 301 South
Merrillville, IN 46410

Applications can be obtained from your local program
or by calling ICD at (219) 738-9029.

INTERIOR DESIGN PROJECTS

Do you have projects that you have always wanted to make but were not sure of what to buy or how to start. Do you want to earn some income making projects like the ones you see at art shows and for sale on Esty? Some of the projects you can learn are: making chalk paint to use on furniture and glass, stenciling on fabric and walls, painting using alcohol inks, just to name a few. You can bring in a project to use or use the supplies I have on hand in my studio.

DATES: April 4— May 30 (Thursdays)
TIMES: Doors open from 8am til 6pm
INSTRUCTOR: Kim Riley
Only 18 spots available

**ArcelorMittal Career Development Center

KETO DIET COOKING

The keto diet is well known for being a low carb diet, where the body produces ketones in the liver to be used as energy. It's referred to as many different names – ketogenic diet, low carb diet, low carb high fat (LCHF), etc. When you eat something high in carbs, your body will produce glucose and insulin. **Glucose** is the easiest molecule for your body to convert and use as energy so that it will be chosen over any other energy source. **Insulin** is produced to process the glucose in your bloodstream by taking it around the body. Come to this class and learn how to cook for yourself and your family... sticking to the Keto diet making yummy foods and deserts!
