ICD Programs

ICD Programs are offered to active USW employees only

Pre-Learner Maintenance Training Program* (online)

As per the Labor Agreement, this standardized training offers employees the opportunity to acquire the necessary skills & knowledge to potentially test at a higher level I order to enter the U.S. Steel Maintenance Technician Learner program. This program is self-paced through access to online Mechanical, Electrical, or Systems Repair topics correlating to the competencies required for Maintenance Technician.

All class work can be completed online at the student's convenience. Any student who does not have access to a computer should contact the ICD Coordinator to make arrangements to use the ICD's computers.

Pre-Learner Entrance Requirements

• be an active non-maintenance Steelworker
• register with the ICD Coordinator by calling 412-460-0390
• have a valid email address
• take classes on their own time

*Completion of the online training does not guarantee qualification for a Maintenance Technician position or entry into the Learner Program. All additional requirements to become a Maintenance Technician or Learner must still be met.

Insurance 101: Protecting Your Home, Auto & Life
Many times, consumers don’t understand their insurance until they need it and too often that is too late! Insurance can cost thousands of dollars a year in premiums, but it can cost even more if you don’t have the right coverage.
If you’ve ever wondered...
Home – what’s the replacement value of my home & why is that different from what the realtor says its worth?
Auto – what does tort mean? What are first party benefits? Am I over-insured or under-insured?
Life – if I have life insurance at work, do I need my own?
...then this interactive discussion is for you!

***LIFELONG LEARNING FOR USW MEMBERS***

The National ICD has approved a number of Education Providers who offer a variety of learning opportunities, like Rosetta Stone & DeVry University, & its newest provider, Penn Foster; & some offer discounted rates to our members!

**Penn Foster (online)**

Enroll with a school that helps 30,000+ people each year achieve their goals through affordable online education & training. Whether you’re interested in building a new skill or furthering your career, Penn Foster can help by providing you access to high-quality career & college courses. Penn Foster’s easy-to-use learning platform gives you access to books & study materials on the go, helping you learn when & where you want, at your own pace. There are 100+ accredited Career Certificate & Diploma programs & 100+ College Courses & Degrees available to you through Penn Foster’s partnership with ICD. USW members receive a 15% discount off of tuition. Contact the ICD Coordinator to enroll.

**Rosetta Stone**

Rosetta Stone Catalyst is the newest version of Rosetta Stone. Catalyst offers beginner to advanced language training in 24 different languages & covers: everyday conversations, language for specific industries, business English, & more. Rosetta Stone gives you unlimited access to live online tutoring to help you gain conversational skills quickly.

**DeVry University**

DeVry University has a partnership with DeVry University & its Keller Graduate School of Management to bring you affordable, accredited degree programs with the flexibility you need for a work/life balance.

You have the opportunity to experience world-class education & earn your undergraduate or graduate degree. ICD participants are eligible for numerous benefits:

- **Partner Group Tuition Rate** (15% savings)
- **Waived application fee** saves you money & further simplifies our simple three-step application process for U.S.-based students
- **Deferred billing plans** help manage payment timing

Details about our Lifelong Learning Providers are available on the National ICD webpage at [www.icdlearning.org](http://www.icdlearning.org), under the Resources Tab > Educational Partners.

And, while you’re there, explore more information on the history of the ICD, News from the Field, & how to apply for the Tino Fulimeni Memorial Scholarship.
