4 Week Courses

Wreath & Bow Making

11/13/18 – 12/11/18 for A&C Crews

11/15/18 – 12/13/18 for B&D Crews

TIME: 8:00 AM – 11:00 AM

Course Description:

In this course students will learn the basics for creating bows and wreaths just in time for the holiday season. Each student will have a project to complete during the class. The completed project can be used for decoration or as a gift for a loved one!

Instructor will be Rachel Offenstein

Maximum Usage of Hand-Held Devices

11/13/18 – 12/11/18 for A&C Crews

11/15/18 – 12/13/18 for B&D Crews

TIME: 8:00 AM – 11:00 AM

Course Description:

Are you using your Wi-Fi and handheld smartphone & tablets to their fullest potential? Introducing a hands-on course to help you master the vast functions & features of an Apple-iPad/iPhone or Android Smartphone or Tablet. These incredible devices use simple gestures and symbols, that once learned, will help you be more efficient with your technology!

***Students are encouraged to bring their devices to class to gain hands-on skills!**

Instructor will be Lisbeth Marín

THIS CLASS IS OFFERED ON A FIRST COME FIRST SERVED BASIS.
