Lunch on your own

- 1:00 pm** Depart for Optional Harley-Davidson Tour

ICD will bus participants to the Harley-Davidson Powertrain facility in Menomonee Falls. While there, participants will tour the plant, hear about advanced manufacturing from Harley-Davidson perspective, and have time to shop in the gift shop. Please note Harley-Davidson's tour requirements:

Please ensure all tour participants are aware of the following guidelines prior to their tour:

- Cell phones must be turned OFF while in our factory.
- All guests are required to complete a registration card.
- All guests must be 12 years of age or older to enter the factory.
- All guests must wear a pair of **fully enclosed, low-heeled shoes** (1 inch or lower).
- No packages such as backpacks or camera bags are allowed in our factory. Please secure such items prior to entering our factory.
- No recording devices or cameras are allowed in our factory. Please secure these items prior to entering our factory.
- Please be aware the machining nature of our plant does not provide a safe environment for guests using cane's, crutches, walkers, etc. Please advise if you require a wheelchair.
- Please be aware our Powertrain Operations Facility is **a non-smoking campus**. Smoking is not permitted on Harley-Davidson property.
